**ORDINANCE 19-42**

AN ORDINANCE OF THE CITY COUNCIL OF HOMER, ALASKA,  
INSTITUTING THE INDUSTRIAL PRETREATMENT DISCHARGE AND  
WASTE DISPOSAL MANUAL.

WHEREAS, Homer City Code (HCC) Title 14 includes provisions that were adopted or changed sporadically over the last 50 years; and

WHEREAS, These changes required utility users to be familiar with Code provisions in multiple, different Code locations which increased the potential for unintended violations of Code and led to frustration among those attempting to comply with local law; and

WHEREAS, Consolidating administrative procedures to the greatest extent possible encourages compliance and ensures the public knows its rights, remedies, and responsibilities; and

WHEREAS, The highly technical and lengthy industrial pretreatment and sewage system regulations in HCC 14.05 are best presented in a policy and procedure manual in order to prevent the average user of City utilities from being confused or misdirected by the industrial waste requirements; and

WHEREAS, The Industrial Pretreatment Discharge and Waste Disposal Manual shall contain administrative rules and regulations governing discharge of industrial waste into the Sanitary System. These rules and regulations and any amendments to them must be approved by Council via ordinance before they become effective per HCC 14.04.110(b). Staff may make non-substantive changes if needed; and

WHEREAS, Once an industrial user exists within City limits, the City will further evaluate the proper location and scope regarding the violation and penalty provisions within Article III. Sections 4, 5, and 6 of the manual.

NOW, THEREFORE, The City of Homer Ordains the instituting of the Industrial Pretreatment Discharge and Waste Disposal Manual.

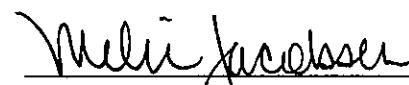

Section 1. This ordinance is of a permanent and general character and may be referenced in Homer City Code, but shall not be codified.

42 Section 2. The Industrial Pretreatment Discharge and Waste Disposal Manual shall be  
43 amended as needed by Ordinance.

44  
45 ENACTED BY THE CITY COUNCIL OF HOMER, ALASKA, this 14th day of October, 2019.
