**Resolution 24-060, A Resolution of the City Council of Homer Alaska, Authorizing the City Manager to Dispose of Used and Surplus Equipment Pursuant to Homer City Code 18.30. City Manager.**

**To:** Mayor Castner and City Council  
**Through:** Melissa Jacobsen, Acting City Manager  
**From:** Daniel Kort, Public Works Director  
**Date:** May 20, 2024  
**Subject:** Surplus Sale Item E 719

---

### **Background:**

The 2020 Yamaha Wolverine X2 YXE 850 (VIN# 5Y4AN26Y7LA101072) was originally purchased in May of 2020 for the Parks Department for use in trail and park maintenance tasks.

### **Issue:**

This is a recreational style vehicle and not a utility style vehicle, therefore it is not well suited for work performed by the Parks Department. Further, this vehicle is not road legal unless the City of Homer adopts rules allowing recreational vehicle use on public roadways.

The original purchase price of this vehicle was \$12,350.00.

### **Recommendation:**

The Public Works Department recommends selling this vehicle with a minimum bid set at the low Blue Book value of \$9,300.00.
