MEMORANDUM

Ordinance 24-49, An Ordinance of the City Council of Homer, Alaska Amending the FY25 Capital Budget to Appropriated \$14, 510 from the Homer Accelerated Roads and Trails (HART) Roads Fund for a Save Streets 4 All Safety Action Plan Grant Match. City Manager/Community Development Director.

Item Type: Backup Memorandum
Prepared For: Mayor Castner and City Council
Date: October 14, 2024
From: Julie Engebretsen, Community Development Director
Through: Melissa Jacobsen, City Manager

In August of 2022, the Homer City Council approved Resolution 22-063, supporting a grant application by the Kenai Peninsula Borough. The Borough was applying for a federal fund through the Safe Streets 4 All Program, to fund a Borough-wide Safety Action Plan. The grant had a 20% match requirement, which the Borough split between itself and the participating cities based on population and road miles within their respective jurisdictions. Homer's portion was calculated at \$17,110, and at the time the City and Borough intended to meet this match through in-kind staff time on the project. As the project has progressed it has become clear it will not require enough staff time to meet the match. Therefore, the City needs to appropriate funds to pay the remainder of the match, calculated at \$14,510. The funding source would be HART Roads, as this Plan addresses transportation safety. Staff will continue to participate in the project through completion. The Cities of Kenai and Soldotna have similarly already appropriated matching funds.

Memorandum 22-140

TO: Mayor Castner and Homer City Council
FROM: Jenny Carroll, Special Projects and Communications Coordinator
THROUGH: Rob Dumouchel, City Manager
DATE: August 16, 2022
SUBJECT: Resolution Supporting a Regional Application to the Federal Safe Streets For All Program to Develop a Kenai Peninsula Borough-wide Safety Action Plan.

- I. **Issue:** Request for City support of the Kenai Peninsula Borough's application for a Safety Action Plan Grant, with the City of Homer included as a joint applicant.
- II. **Background:** The Safe Streets for All (SS4A) is a Federal IIJA grant program focused on roadway safety with the goal of zero deaths and serious injuries on our nation's roadways. Two types of SS4A grants are available: 1) Safety Action Plan Grants; and 2) Implementation Grants.

A Safety Action Plan identifies roadway safety issues and prioritizes strategies, design and development activities to improve roadway safety and eliminate fatalities and injuries for all users, including pedestrians, bicyclists and motorists. SS4A Implementation grants are awarded for the purpose of developing projects and carrying out strategies identified in the Safety Action Plan. Implementation grants require that a community have a Safety Action Plan in place.

Homer does not have a Safety Action Plan that meets the requirements of the SS4A program and there is no Regional Plan. After discussions with Kinney Engineering and the Public Works Director, the scope of the Master Transportation Plan does not include components of a safety action plan.

The SS4A program encourages multi-jurisdictional applications; regional applications are more competitive under the program. As the regional government, the KPB has agreed to apply as the lead applicant, with participating municipalities included as joint applicants. Upon adoption of an Action Plan, the cities and borough would be eligible to apply for SS4A implementation grants in future funding cycles.

If successful, it is anticipated that a memorandum of agreement would be signed between the Borough and municipalities to refine the project scope, cost and timing. The program requires a 20% local match. All participating communities and the KPB would share in the cost share obligation, which can be fulfilled via cash, in-kind or a combination. The City's cost share would not exceed \$23,000, much of which we anticipate could be in-kind contribution of staff time.

The Resolution before you provides the City's support to the Borough to apply for a SS4A Action Plan Grant. Thank you for your consideration.

RE: Ordinance 2022-19-50, Accepting and Appropriating the Safe Streets and Roads for All Assistance Grant and the Required Match Funds Through the U.S. Department of Transportation (Mayor)

The Safe Streets and Roads for All Assistance grant program is held under the Office of the Secretary of Transportation U.S. Department of Transportation (USDOT), and is a federally funded grant opportunity that has a 20% match requirement with an assistance listing number of 20.939. This program was established as a part of the Bipartisan Infrastructure Law, and funds local, regional, and tribal initiatives through grants that support the goal of zero deaths and serious injuries on public roadways.

The eligible activities under the action plan include development of a comprehensive safety action plan, and conducting the planning, design, and development of activities in support of an action plan. Implementation of plan eligible activities include projects that carry out the activities that are listed within a safety action plan that meets the criteria of the USDOT to be determined as a qualified safety action plan. Safety action plans are required in order to seek funding for any implementation project that improves the safety of road systems under this program.

Development of an approved and qualified safety action plan will better position the Kenai Peninsula Borough (Borough) and the Cities to pursue further grant opportunities in the future. It will also support the improvement of long term road safety.

The duration of this project is expected to take two years, and the total cost of this project for all entities is \$1,200,000.00 with a 20% match equaling \$240,000.00. The match can be fulfilled with either cash, or allowable in-kind activities.

The calculation of how the cities will be providing their match was determined based on a combination of the number of road miles in their boundaries and the total population in each area. The match was recognized in Resolution 2022-049. The match calculation for each applicant is as follows:

Re: O2022-19- 50

Kenai Peninsula Borough	\$180,786
Kenai	\$ 21,449
Homer	\$ 17,110
Soldotna	\$ 12,420
Seward	\$ 7,500
Seldovia	\$ 735
Total Match Requirement	\$240,000

In Resolution 2022-049 the Assembly approved the application, and authorized the Borough to submit the application as the lead agency for this grant process.

The Planning Department is requesting an appropriation of \$180,786 for the Borough's portion of the require match for this grant. The intent is to use in-kind activities that will support the project; however, General Fund local match funds will likely be utilized for a majority of the project for consulting activities for the planning project. The opportunity for greater grant opportunities related to this match is expected to exceed the match requested.

Additionally, each city has committed to providing their match through a passed resolution. These match dollars will be recognized as an income and an expense simultaneously as required by generally accepted accounting principles. This is to recognize that the Borough has received the match from the Cities, and also recognized the expenses on behalf of the Cities for grant purposes.

It is in the best interests of the Borough to accept and appropriate this grant, the match, the city's funds, and for the mayor or his designee to have the ability to enter into agreements with the Cities and granting agency as needed.
