MEMORANDUM

Resolution 25-060, A Resolution of the City Council of Homer, Alaska, Authorizing the Negotiation and Execution and Delivery of a Loan Agreement Required by the State of Alaska Department of Environmental Conservation under its Clean Water Revolving Loan Program in Connection with a Not to Exceed \$1,235,999 Loan (of which \$500,000 is Eligible for Forgiveness) to Assist in Financing the Beluga Sewer Lift Station Improvement Project. City Manager/Public Works Director.

Item Type: Backup Memorandum
Prepared For: City Council
Date: May 30, 2025
From: Daniel Kort, Public Works Director
Through: Melissa Jacobsen, City Manager

I. Issue: The purpose of this Memorandum is to request approval to allow the City Manager to accept loan funds from the Alaska Department of Environmental Conservation (ADEC) under its Alaska Drinking Water Fund Program (ACWF) for the Beluga Sewer Lift Station Improvement Project. Such acceptance is by means of signing, on behalf of the City, a loan agreement with ADEC.

II. Background:

The purpose of the Beluga Lift Station Improvement is primarily to install a liner on the inside of the lift station to protect the concrete walls of the lift station vault from hydrogen sulfide corrosion. On November 25, 2024, Resolution 24-122 authorized the City Manager to negotiate and execute a contract with East Road Services, Inc. for the construction of the Improvement and a notice to proceed was issued on December 3, 2024.

Much of the Funding for this project is coming from a loan that the City applied for from the ADEC's State Revolving fund. The State Revolving Fund doesn't technically issue grants, but they can issue loans and then forgive a portion of the loan, which they call principal forgiveness. The loan for the Beluga Lift Station Improvement has \$500,000 in principal forgiveness attached. The rest of the project funding is coming from the Sewer CARMA Fund.

Two resolutions are required before the City can fully execute a loan with ADEC. First, a resolution is needed to apply for the loan. Resolution 24-002 authorized the City to apply for a loan for this project. Second a resolution is needed to execute the loan agreement.

III. RECOMMENDATIONS:

That the City Council authorize the City Manager to negotiate and execute and deliver a loan agreement to secure funds from ADEC, in an amount not to exceed One Million Two Hundred Thirty-Five Thousand Dollars (\$1,235,000), subject to Five Hundred Thousand Dollars (\$500,000) being forgiven by an ADEC subsidy for the Beluga Sewer Lift Station Improvement project.

The Borrower shall obtain the wage determination for the area in which the project is located prior to issuing requests for bids, proposals, quotes or other methods for soliciting contracts (solicitation) less than 10 days before posting. Wages are locked-in at bid opening if awarded within 90 days. Wages must be updated if contract award is more than 90 days after bid opening. Once a Davis-Bacon wage rate has been locked, it stays in effect for the duration of the project. These wage determinations shall be incorporated into solicitations and any subsequent contracts. In addition, the wage determination and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor or subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.
- ii. The Borrower shall ensure that the required EPA contract language regarding Davis-Bacon Wages is in all contracts and sub-contracts in excess of \$2,000. Borrower shall ensure no contracts are awarded to contractors excluded from federal contracts. The Borrower may access suspension and debarment information at <http://www.sam.gov>.
- iii. The Borrower shall periodically interview a representative portion of the work force entitled to Davis-Bacon prevailing wages to verify that contractors or subcontractors are paying the appropriate wage rates. Borrowers shall immediately conduct interviews in response to an alleged violation of the prevailing wage requirements. As provided in 29 CFR 5.6(a)(5), all interviews must be conducted in confidence. The Borrower must use Standard Form 1445 or equivalent documentation to memorialize the interviews.
- iv. The Borrower shall periodically conduct spot checks of a representative sample of weekly payroll data to verify that contractors or subcontractors are paying the appropriate wage rates. In addition, during the examinations, the Borrower shall verify evidence of fringe benefit plans and payments thereunder by contractors and subcontractors who claim credit for fringe benefit contributions. The Borrower shall maintain records sufficient to document compliance with DBRA, and make such records available for review upon request.
- v. In addition, the Borrower shall consult with the Department on any required contract or bid document language to ensure that appropriate federal DBRA material is included in the documentation. The Borrower must include the following text on all contracts: "By accepting this contract, the contractor acknowledges and agrees to the terms provided in the DBRA Requirements for Contractors and Subcontractors Under EPA Grants."

d. Title I – Employment of the Americans with Disabilities Act of 1990

When applicable, the Borrower shall comply with Title I-Employment of the Americans with Disabilities Act of 1990 (P.L. 101-336) and in accordance with Title I of that Act, shall not discriminate against a qualified individual with a disability because of the disability of such individual in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training, and other terms, conditions, and privileges of employment.

This Agreement may only be modified or amended in writing and executed by the authorized representatives of all parties to this Agreement.

2.19 Disputes

The Borrower shall raise any concerns or issues it may have regarding the Project with the Department promptly and prior to project completion. If those concerns or issues are not satisfactorily resolved, the Borrower shall promptly give written notice to the Department with a detailed description of the continuing concerns or issues. Jurisdiction and venue for any legal dispute shall be in the Superior Court for the State of Alaska, Third Judicial District at Anchorage, and in no other court or location. In the event of litigation, the prevailing party shall be entitled to an award of its reasonable, actual attorney's fees and costs of litigation. Each party has had an opportunity to review this Agreement with legal counsel of its choosing (or waived such opportunity), therefore this Agreement shall not be interpreted in favor of either party. 2.22 Change of Ownership

The Borrower may not sell, transfer, assign, or encumber any of its rights, obligations, or assets related to this loan or Project without express prior written consent of the Department. If the Borrower intends to sell, transfer, assign, or encumber any of the rights, obligations, or assets related to the loan or Project, it must provide the Department with at least 60 days written notice prior to the sale, transfer, assignment, or encumbrance.

If the Department has not consented to the sale, transfer, assignment, or encumbrance of the rights, obligations, or assets related to the loan or Project, upon that sale, transfer, assignment, or encumbrance, and at the Department's sole discretion, the loan may be immediately due and payable in full. Alternatively, at the Department's sole discretion, the Department may approve the new owner to take on the rights, obligations, or assets related to the loan or Project, contingent upon successful approval by the Department of the same Financial Capacity Assessment and approvals that the original Borrower was subject to. In the event of any sale, transfer, or assignment of the rights, obligations, or assets related to the loan or Project, the Project must continue to adhere to the project description as outlined in the original loan agreement.
