

CITY OF HOMER FINANCIAL SUPPLEMENT

PROJECT NAME	GPS Equipment	DATE	08/21/2025
DEPARTMENT	Public Works	SPONSOR	City Manager/PW Director
REQUESTED AMOUNT	\$ 40,000		

DESCRIPTION	<p>The City of Homer (City) owns and operates GPS Survey Equipment for the purpose of locating buried utilities, infrastructure, locating property lines, right-of-ways and easements. The Public Works Department relies on this vital equipment nearly daily. The City purchased the existing GPS Survey Equipment used approximately 5-years ago. The used GPS Survey Equipment was manufactured prior to 2012. Replacement of this GPS Survey Equipment was requested in the Capital Budget but was put off to a future year because of competing needs, the IT Department had determined a way to isolate the security vulnerability, and the unit was still functional. The used GPS Survey Equipment experienced a catastrophic failure in the first week of August.</p>
