210 garbage at the Port of Homer. Fees will be negotiated between the contractor and vessel
211 managers.

212

213 SEARCH AND RESCUE FEES:

214 When the City utilizes city equipment and personnel to provide search and rescue assistance
215 to vessels outside of the Homer Port and Harbor, such as towing and rescue, the
216 Harbormaster will charge users of those services \$102.00 per hour for skiff and operator for
217 the first hour and for additional search and rescue assistance beyond one hour. Additional
218 personnel will be charged at the rate of \$102.00 per man per hour.

219

220 PUBLIC LAUNCH RAMPS:

221 Vessels shall be charged \$13.00 per day to launch from the public launch ramps from April 1
222 through October 15. (Reserved stall lessees exempt for the boat assigned to and registered to
223 the reserved stall only, not for other boats owned by the same individual.)

224

225 Vessel owners or operators may obtain a seasonal permit for \$130.00 entitling a specific
226 vessel and owner to launch from April 1 through October 15. (Reserved stall lessees exempt
227 for the boat assigned to and registered to the reserved stall only, not for other boats owned
228 by the same individual.)

229

230 BEACHES AND BARGE RAMP:

231 The use of beaches and barge ramp under the City ownership or control for commercial barge
232 vessel repair, equipment loading or similar purposes, must be approved by the
233 Harbormaster. A beach use agreement will be filled out and signed by the user and
Harbormaster prior to use of the beach.

234 The Harbormaster shall charge a fee of \$1.50 per foot based on the overall length of the
235 vessel, for vessels landing or parking on the beaches under City ownership or control. This
236 same rate shall apply to vessels using the barge ramp.

237
238 Charges for extended beach or barge ramp use may be adjusted by the Harbormaster under
239 appropriate circumstances.

240
241 The user of any beach area or the barge ramp must repair any damage to the beach or ramp
242 and remove all debris. Failure to make such repairs and removal will result in repairs and
243 cleanup by the harbor staff. The costs incurred by the harbor staff will be fully charged to the
244 beach user. Labor rate for the harbor staff will be one hundred and two dollars (\$102.00) per
245 hour per person, plus appropriate equipment rental and material costs.

246
247 Sandblasting of vessel hull is not permitted on City beaches or barge ramp; water blasting
248 using pressures that result in removal of paint is also prohibited. No paint chips or other
249 paint materials are to be put into the water as a result of any maintenance done on the beach
250 or ramp.

251
252 FISH DOCK:

253 The Fish Dock is to be used primarily for the loading and unloading of fish, fish products and
254 fishing gear.

255 Cranes located onboard the vessel moored at Fish Dock may be utilized for loading/unloading
256 the vessel only with prior approval granted by the Harbor Officer on duty.
