Telluride Mountainfilm Festival

We are celebrating our 16th year of Mountainfilm in Homer! Mountainfilm of Telluride combines adventure, mountaineering, unique personalities, and important environmental and social messages. The films tell us something about the world we live in and one we'd like to live in. Mountainfilm is about ideas. It is about cultures and the landscapes they occupy. It is about environmental integrity and about a rich spirit of celebration. At a minimum, the films and ideas featured result in changes in thought and new insights. They result in changes in values and social policy.

There will be two shows each with different films and content with separate tickets for each night. Please purchase tickets in advance at the Homer Bookstore 235-7496 or at the Recreation office. Film descriptions and listings will be available on our website.

Native Youth Olympics NYO: Team Homer Halibuts

Native Youth Olympics (NYO) is a collection of games that mimic the skills needed by Alaska Native People to survive and thrive in the Alaskan terrain and climate. The games were played for fun and also to keep hunters in top form. These contests helped improve physical strength, stamina, skill, and the ability to work as a community toward a common goal. Today the games are played mainly for fun, but still carry the traditional value of striving for your best while helping and supporting your teammates and other teams.

The goal for the Homer Halibuts NYO team is to influence members to improve their own health and well-being and to teach leadership and respect values that contribute to making a stronger community.

Some of the games that will be taught include: Alaskan High Kick, Wrist Car-

ry, Arm Pull, Two-Foot High Kick, Indian Stick Pull, Seal Hop, Eskimo Stick Pull, Scissor Broad Jump, Kneel Jump, One- Hand Reach and One-Foot High Kick

This team accepts all students, grades 1-12, regardless of ethnicity. Practices will be twice a week, starting in January. Members will have opportunities to travel to multiple regional invitational events as well as the chance to compete in Junior NYO and Senior NYO State Competitions in Anchorage.
