## Disclaimer

This site makes available conceptual plans that can be helpful in developing building layouts and selecting equipment for various agricultural applications. These plans do not necessarily represent the most current technology or construction codes. They are not construction plans and do not replace the need for competent design assistance in developing safe, legal and well-functioning agricultural building system. The LSU Agriculture Center, the Mid-West Plan Service, the United States Department of Agriculture and none of the cooperating land-grant universities warranty these plans.

## MEMORANDUM

---

**TO:** PAVILION DESIGN TASK FORCE  
**FROM:** RENEE KRAUSE, CMC, DEPUTY CITY CLERK I  
**DATE:** JANUARY 14, 2013  
**RE:** ESTABLISHING A MEETING SCHEDULE

---

### Background

Scheduling as many meetings in advance allows for city staff to schedule attendance if necessary at your meeting ahead of time.

The available dates that we have for the upstairs conference room is as follows:

Please remember we need two full weeks for advertisement.

The earliest available date is February 13, 2013 at 5:30 p.m.

### Recommendation

Make a Motion to establish February 13, 2013 at 5:30 p.m. (or earlier time as decided) for the next meeting of the Pavilion Design Task Force.
