UTILITY INSTALLATION INSTRUCTIONS

F The Applicant/Owner obtains a water & sewer permit at the Public Works Department.

G The Applicant/Owner pays for all materials, labor and equipment required for the utility installation

H Construction materials and practices must conform to Section 13 of the Homer City Code.

I Work must be performed by a Licensed and Bonded Contractor.

J The City assumes no responsibility for the accuracy of any City held Asbuilt Drawing or the Permittee's interpretation thereof.

SAMPLE WATER METER INSTALLATION 5; F5A

1. Meter shall be installed in a horizontal, upright position.
2. Meter shall be inside a warm, dry, easily accessible place.
3. Meter shall be installed prior to providing any water service to customer.
4. The applicant is responsible for purchasing a pressure reducing valve and one way check valve, to be placed in line with all meter installations.

WARNING

IT IS ILLEGAL TO CONNECT RAIN GUTTERS, ROOF DRAINS, DRAIN TILE SYSTEMS, SUMP PUMPS OR OTHER FRESH WATER SOURCES TO THE CITY SEWER SYSTEM.
